

# Cornerstone Schools of Alabama

*Together We Can Make A Difference*

## LONG-TERM VOLUNTEER OPPORTUNITIES

**Student Tutors:** Tutors work with students who need additional academic support. Tutors provide enrichment activities and assist students with classroom assignments to meet their individual learning needs. Tutors can work with students during the school day or during the school's after-school program.

**Fine Arts Volunteers:** These volunteers assist with classroom arts/crafts and the volunteer art teacher in art class. Assistance is also needed in dance, drama, and creative writing.

**Mentors:** Mentors provide guidance and leadership to a student or small group of students on a consistent basis. This takes place during the students lunch time, so that the student is able to speak freely to a positive adult role model.

**Classroom Volunteers:** These volunteers essentially adopt a class. The volunteer helps by assisting the teacher with class-work, projects, or tutoring.

**Junior Board:** The Junior Board is an organized group of young professionals who support Cornerstone by volunteering at the school, promoting the school in the community, and hosting an annual event, *Schoolhouse Rock*.

**Event Committee Volunteers:** These volunteers serve on the planning committees for our annual events, including our Fall Luncheon and the C. Molton Williams Memorial Golf Classic.

## SHORT-TERM VOLUNTEER OPPORTUNITIES

**Event Volunteer:** These volunteers assist in activities on the day of a fundraising event, such as registering and greeting guests and silent auction support.

**Career Day:** These volunteers participate in the school's Career Day (date TBA), providing students with information about their profession.

**Other:** Volunteers are also invited to share other skills and talents with our students.

---

We hope you will volunteer at Cornerstone. Please fill out the following information and send it to:  
Shannon Bottoms, Cornerstone Schools of Alabama, 135 54th Street North, Birmingham, AL 35212 or  
sbottoms@csalabama.org
